

John Sage, VP, IT Operations, Identity Digital

John Sage brings over 20 years of leadership experience in Technology, with a proven track record in IT Management, Operations, and Security leadership. As Vice President of Information Technology at Identity Digital, he leads high-performing, cross-functional teams of engineers, driving strategic initiatives and operational excellence across the organization.

Before joining Identity Digital, John served as IT Director at eNom and Rightside, and held key roles in Engineering and Operations Management at Demand Media (Leaf Group). His broad expertise spans corporate, security, engineering, and operations teams, providing a strong foundation for overseeing critical organizational functions in a dynamic technology landscape.

John holds a Bachelor of Arts in Business Management from Northwest University. Outside of work, he enjoys spending quality time with his family, traveling, and exploring the outdoors.
